

BSB41419

Certificate IV in Work Health and Safety

The BSB41419 Certificate IV in Work Health and Safety reflects the role of individuals working in a work health and safety (WHS) role of those working as supervisors, WHS personnel, and workers in other WHS-related roles who manage risks effectively, apply relevant WHS laws, and contribute to WHS within the workplace in known or changing contexts with established parameters.

KEY OUTCOMES

- Assisting with maintaining WHS compliance
- Implementing and maintaining WHS consultation
- Risk Management
- Contributing to implementing WHS management system
- Assist with activities performed for incidents
- Manage WHS implications of using contractors
- Develop complex documents
- Collect, analyse, organise and present information

Volume of Learning

Learners should expect a duration between 12 and 24 months to meet the requirements of BSB41419, which is consistent with the AQF volume of learning indicators for a Certificate IV qualification. This may vary depending upon prior experience and study.

Decisions about the duration of this qualification consider the candidates' likelihood of successfully achieving the learning outcomes and ensure that the integrity of the qualification's outcomes are maintained.

MODES OF DELIVERY

- Face to face workshops
- Online
- Recognition of Prior Learning
- Blended (using a combination of the modes described)

QUALIFICATION PATHWAYS

- BSB51319 Diploma of Work Health and Safety
