BSB40520 Certificate IV in Leadership and Management

The BSB40520 Certificate IV in Leadership and Management reflects the role of individuals working as developing and emerging leaders and managers in a range of enterprise and industry contexts.

As well as assuming responsibility for their own performance, individuals at this level are likely to provide leadership, guidance and support to others.

KEY OUTCOMES

- Leading teams and individuals
- Implementing operational plans.
- Applying communication strategies.
- Advising, carrying out and evaluating customer service strategies.
- Implementing continuous improvement.
- Applying risk management strategies.
- Implementing and monitoring WHS policies and procedures.

Volume of Learning

Learners should expect a duration between 6 and 24 months to meet the requirements of BSB40520, which is consistent with the AQF volume of learning indicators for a Certificate IV qualification. This may vary depending upon prior experience and study.

Decisions about the duration of this qualification consider the candidates' likelihood of successfully achieving the learning outcomes and ensure that the integrity of the qualification's outcomes are maintained.

QUALIFICATION PATHWAYS

- BSB50420 Diploma of Leadership and Management

CAREER OPPORTUNITIES

- Coordinator
- Leading Hand
- Supervisor
- Team Leader
- Manager

EAGLE WING
 EDUCATION & TRAINING

Why study with Eagle Wing Education & Training?

We provide tailored courses that are nationally recognised. They are accredited courses that are aligned to meet your specific requirements of education and training within the areas of leadership and management.

Our trainers and assessors work within industry and continuously develop their professional portfolios.

Our courses are rigorous and easy to implement with our project team conducting face-to-face sessions using appropriate methods of training and assessment that will deliver the best results for you.

We can provide recognition of Prior Learning (for people who have evidence to support their current competence in the relevant units of competency which comprise the qualification).

Industry experience enables our professional trainers and assessors to make courses easier to engage in.

After-all, training will only get the results if the execution is right!
